

Church Family Newsletter 5th June 2020

Dear Church family,

Many of us are able to get out and have people to our gardens and some school children are now back in school as we move towards this "new normal," and yet we are still apart in so many ways. Plus, many difficulties still remain for those shielding. Let's continue to be praying very much for our neighbours and community, those who are bereaved, our government for right decisions for the future, for medical staff and scientists in their search for a vaccine.

This Sunday: Trinity Sunday

Join us for our online service from Holy Trinity Eridge! Being Trinity Sunday, we will be thanking God for Holy Trinity Church, as well as looking to see why the Trinity is so central to Christian faith and our own lives.

Join us after the service **from 10am Sunday morning** and we will see if this works!

Church Council on Monday

This Monday (8th June) the Church Council (PCC) is meeting virtually. Please do pray for us that God would aid us for this. Doing a meeting virtually is never ideal, and there are important things we need to address through this crisis.

Youth and Children

This week another Encounter Hub was created, making 5 now in total so far. We have been looking at why Jesus had to die for us and how we should view and act on the topic of forgiveness.

The school has now re-opened for a few classes, so we are now going to be making 2 assembly videos a week for them. This is great as we will have more of a presence within the school, and also for those still learning at home.

We are also looking to September where we are planning for some exciting new youth and children initiatives! Please pray for us as in this time as we look afresh to develop our work amongst young people.

Every blessing,

-Rev Brendan
