

## **Church Family Newsletter 17<sup>th</sup> July 2020**

Dear Church family,

For many children they are about to start their summer holidays, and what a strange summer it will be for them. For some life carries on as it did through most of lockdown, for others they might look forward to getting away a bit, for others perhaps a break from home schooling is a welcome relief! I know for many parents that may be so!

The PCC is meeting on Monday to agree how we can restart services safely, so please do pray for us as we meet, that God would give us all wisdom to navigate what will be a different kind of meeting together and service to what we are used to. We hope to start slowly and safely and build from there. More to come on this next week.

### **This Sunday: Matthew 6:5-15** ***Living Faith: Pray to our Father***

I don't know about you, but I have heard a lot more people talking about prayer through these last months of Covid. The crisis came and people started talking not just in terms of "their thoughts" being with people suffering, but "thoughts *and* prayers" for them.

One of the most famous bits of Jesus' sermon on the mount, is the most important and well-known prayer in history: the Lord's Prayer.

The Lord's Prayer gives us confidence in prayer, that we pray to our Father God who loves us and will provide, forgive, and deliver us in our need.
