

Church Family Newsletter 1st August 2020

Dear Church Family,

We hope this week's service will be really relevant and helpful for you as we continue our little series on ***The Sermon on the Mount: Living Faith.***

This week Jesus talks about worry in Matthew 6:25-34. In the current circumstances it might have been that, like me, you have worried a whole lot more in the past months.

We hope this week that Jesus can give us a renewed perspective and hope so that we can say:

Bye Bye Worry.

Join us online:
