

Church Family Newsletter 11th September 2020

Dear Church Family,

Schools are back and so are we!

I realise that some of you will have been concerned that the announcement by the government this week will change plans for services, but it has been made clear that Churches, as well as workplaces and school are not social gatherings and we are not restricted in this way.

We are abiding by all social distancing guidelines to create a safe space for people to come together for worship.

This Sunday: Genesis 2:4-25 Become Who You Were Made To Be

God created a perfect world, where we enjoyed this perfect relationship with God, each other and creation itself. This is the life that God is calling us towards, although our world is not as it should be... that perfect beginning can inspire us to become who we were made to be, both now, but also for the future.

9:30 Frant Church

11:15 Eridge (outside in Church Yard)

5:00 Festival Church (outside in Rectory Field)

For those who can't join us the sermon and a song will be uploaded to:

A walk through Festival Church

Join us from 4:30pm.

Come past The Stables – through the gate at the far end of the car park straight into the field.

Bring a chair/drink/snack!

Find a log to sit around... 6 people only per log – please keep the chat and socialising to only those in your group of 6 around your log, according to government guidelines. Children will be able to interact in their groups' bubbles.

Service starts at 5:00pm

Children will start in the service and go out to Festival Church Youth and Kids, which is in the woods in the same field, with crafts, games, and Bible stories and teaching.

We will have videos to watch, music to listen to, talk, discussion and prayer.

Children join back at end of service and then people leave at 6pm.

Get tickets for Festival Church!

We particularly have limited space for Children and spaces could run out, so it would be really helpful to book ahead.

Can you help at Festival Church?

Thanks for those that have said already to me... I will be responding very soon about things we can do... we will need more people to help though. If you might like to help with youth/children please contact Ed (frantoyouth@gmail.com) and he can take you through the process.

Share for Prayer

Let's remember **Anne Pybus** in our thoughts and prayers. We pray that Anne will know that God is with her in all that she is going through, both now and in the days and weeks ahead.

Also, let's pray for the **family and friends of Peggy Sargent**, who died on 5th September 2020. May they know God's peace and comfort in their time of loss.

Prayer update from the Packman's about Lydia...

We would like to say a HUGE thank you to all those praying for Lydia's health. It has been a very hard time recently, and Lydia is still having many seizures each day. So we would be very grateful for ongoing prayers - particularly that the seizures would decrease in number and severity, and that she makes a quick and full recovery. We see each prayer that is offered for us as a gift, and find it such an encouragement to know that brothers and sisters are approaching our heavenly Father to ask for his grace to break into this situation. Thank you. James & Sarah.

If you (or close friends/family – please always get permission) would like to share names of people for prayer please let us know on our email: office@frantanderidgechurches.org.uk

Every blessing

-Rev Brendan
