From the Rectory

What makes a community? I write this as I look out my window to an amazing Narnia scene of snow. Today is a snow day, looking back you will remember this day in December. The school is shut, and we can't get our car out. Before me lies a day of building snowmen, snowball fights and sledging, but it's not all fun and games the snow caused massive disruption and problems for people in and around the parish.

I rather naively said to a number of people how lovely it would be to have snow for the Christmas Carol Service, well that is what we got, and far more snow than we wanted.

As I write cars are currently lying abandoned along the roads from poor people who got stuck in the snow miles from home. I had people messaging asking for help. People who came to church but then couldn't get home.

Yet what an amazing response I hear this morning of people going out in the freezing night to welcome people into their homes, of people finding warmth and respite in our pubs, and of people going out of their way to help strangers.

One of the messages I got was "What a lovely community you have."

We so often see on the news the awful reality of

our human nature in terrible acts of evil, but we don't always highlight tremendous acts of kindness and good that also go on somewhat below the radar.

What is it that inspires one person to be generous to a stranger? What inspires such acts of care and kindness? What brings people together?

I was hugely inspired by the response we had to our lead theft on Frant Church, an act of destruction met by the community with generosity and care. I am pleased to say that thanks to so many we covered the costs, and have now fully replaced the roof, along with a 24/7 monitored alarm. There is still redecorating to be done which resulted from the damaged roof, but I am truly thankful to our community.

Times of difficulty and distress met with love and action.

My ultimate inspiration comes from God. God made the world, and we continue in so many ways to mess it up. Yet God meets us in our difficulty and distress, he came to us in Jesus Christ, he died for us on the cross for our forgiveness, and he offers the hands of friendship to those who never knew him.

Let's be inspired in 2023 into a response to God and others, of love, friendship, generosity and care.

— Reverend Brendan Martin

News from the Pews

Our two jazz concerts in October and November were ‘different’, great fun and very well attended. They also completed our fundraising for replacing the lead on the church roof. The work was eventually completed on 6th December by Archer Roofing Services, who for no further cost also sealed around the base of the flag pole where the rain was coming in onto the bell frames, and repointed one wall of the south turret. Our thanks to David Torr for seeing through to completion this very complicate process, and to Jamie Archer for his generosity and expertise. There are now cameras and alarms in place in case we have another visit from thieves.

In 2022 as part of our ‘Year of Creation’ we got a team together to look at ways in which our churches can become more sustainable. Not easy when we’re dealing with two of the biggest and most inefficient buildings in the Parish. We registered with the eco church charity ‘Arocha’ and were delighted at the end of the year to be given a Silver Award for our efforts. One thing which has always been an issue in St Albans is caring for our organ, which is a very special and significant instrument and needs to be kept at a constant temperature. To enable us to turn the heating in the church, which is not often used during the week, right down, the organ mechanism, which has its own little cupboard known as the ‘blowers cupboard’, now has its own

modest heater. Hopefully this will keep the organ happy and lower out fuel consumption.

News from Ed Pascoe our Youth and Families Minister - In October we hosted a youth gathering ‘Unite in the Wild’, organised by Youth for Christ. 59 teenagers from the Tunbridge Wells area enjoyed a full day of worship, talks, archery, wide games, crafts, fire lighting, den building and walks. The day ended with a barbecue and s’mores (ask Ed!) round the camp fire. It sounds exhausting for the organisers and helpers, but it was great to see the young people from our church interacting with other Christians from the area, being together and joining in the unsophisticated, energetic, healthy outdoor activities which young people have always enjoyed. It was gratifying to receive so much positive feedback from all who attended.

Our Christmas season began on 4th December, Advent Sunday with a ‘Walking Nativity’, where 11 children from our church acted out the Christmas story at different stations through the churchyard. We finished in church with Christingles and everyone ‘passing on the light’ to each other as they lit their candles. Over 80 people attended, 37 of them children.

As in past years, in December our youth group had its annual ice-skating trip to the Calverley Park ice rink. Needless to say a great time was had by all. A new venture for Ed was a new

Lego Bible Club, which was a great success with 11 pupils from Frant School attending the after school club. Each week they were set a challenge to build something out of Lego, and then watch a Lego Bible film clip based on what they were learning that week. The subjects included the Garden of Eden, the Tower of Babel, Escaping from Egypt and the Ten Commandments. Ed designed this specifically for school years 2-4, and was the first time he had led a group this young. Again the great positive feedback was very encouraging.

Due to a sudden very heavy snowfall on 11th December, our Christmas Carol Service was somewhat different this year. By late afternoon the village was virtually cut off, so in contrast to the full church we usually see, there were only 35 adults and 9 children. Our faithful organist, Peter de Croos, did his best to get to us from Ightham where he had been playing the organ earlier in the day, but was foiled at the bottom of Frant hill which was closed. After some quick re-thinking by our ever adaptable Rector, the congregation sang along to recordings of all the well known carols. Those who did attend said that it was still a lovely service.

Stuck indoors on a freezing cold day in December writing this for the January edition, it doesn’t seem possible that by the time we’re reading the next edition, it will be March and we’ll be into the season of daffodils and lambs. Happy New Year!

St Alban’s, Frant & Holy Trinity, Eridge

Frant Memorial Hall Defibrillator Fund Raiser

On Saturday 10th December we had a Tombola stall at the village's annual Christmas Market outside The George. Thank you to all those of you who came out in the cold to support us and the generous donations we received. We finished the day on £508. A great start to the fundraising.

In January 2023 we will be hosting a fundraising event together with Tonbridge and Tunbridge Wells First Responders to show you how to do CPR and how to use a defibrillator. You will also have an opportunity to ask any questions you may have followed by tea and cake.

Towards the end of January/February we will be hosting a Quiz Night. Look out for posters around the village confirming dates and times for both events.

If you would like to either volunteer eg by making cakes, selling tickets for events etc or to make a donation please contact Sharon Warwick (01892 7501850)

Defibrillators – A Few Key Facts

There are 60,000 out of hospital cardiac arrests in the UK every year. Currently only about 10% of those affected survive.

With bystander assistance through CPR and the use of a defibrillator however that survival rate increases to over 30%.

More than half out of hospital cardiac arrests are associated with heart rhythms that could be treated with a defibrillator and the majority of those people survive if they receive prompt CPR and defibrillation from bystanders.

Please support this good cause and help make the village a safer place in the event of someone suffering a cardiac arrest.

Frant School News

It is lovely to be writing this news with all the fun activities underway in the run up to Christmas. I hope you enjoy our news. Here are a few of our highlights:

- Our annual PTFA bonfire and fireworks night went ahead and despite the weather was a huge success. Thank you to all of those involved in organising it and to everyone who attended – 850 people!
- We have hosted 5 Open days for the parents of children hoping to join us in September 2023. We received some lovely feedback. Thank you to our

- House Captains who showed them around.
- Children from KS2 sang at the Frant Christmas Fair under the guidance of Mrs Davey – thank you.
- We continue to participate in many sporting events around the County under the guidance of Mrs Douch
- As part of our Remembrance work the children went around the village picking up litter. The sponsorship went towards two soldier statues that are made by the veterans that now adorn our front wall. Well done to the children for their hard work. They really enjoyed it and want to do it again!
- Glyndebourne – on Friday 2nd December our year 5 and 6 children joined other schools in singing at Glyndebourne alongside the Opera Choir and some of the orchestra (above). It really was something special and unique. A huge thank you to Mrs Davey and the Oak Class team who managed and organised this event.
- We have had a poetry recital morning in school, an Egyptian Day and much more.
- Christmas activities have included
- ice skating in Tunbridge Wells, kindly funded by our ever supportive PTFA
- KS2 Carol Service
- Lower School Nativity
- Glyndebourne Concert for our Oak Class children
- Christmas shopping in school and
- The school disco!

I hope you have enjoyed reading our news. Please do contact the school at any time if you have any questions or would just like to say hello. I am in school every day and

will always find time for a chat.
 With very best wishes, Mrs Joanna Challis, Acting Executive Headteacher

My Eco Party

I'm Julie, many of you might know me or my husband Ed Pascoe, from church. We also have four young children, three of whom attend Frant Primary School. With young children inevitably come those annual, chaotic but wonderful events...birthday parties! After the last couple of years I am fully expecting to have to embrace these in full force again. The joy of the occasion means I absolutely don't mind, but the thought of all the preparation can be a bit overwhelming. In previous years I have gone as disposable as possible, with paper tablecloths, plates, cups... all for the ease of a quick tidy up at the end! It's not very eco, it's not environmentally friendly, it's not even very cost effective!

This year I am 100% sorted for all the essential kit. It's not an original idea, but it's one I'm completely onboard with. I have created a party box 'My Eco Party Kit' containing beautiful pastel coloured party plates, cups, bowls, serving bowls, trays, jugs, tablecloths, even cotton bunting. Most of the kit is polypropene which is one of the most economical plastics. What is even better though is that it all comes in one box completely ready for your party. After your party just put it all back in the box (dirty plates and all!) return (we'll wash it) and then it can be reused. Hire - Party - Return.

You can find more information at www.myecopartykit.co.uk or email me julie@mynecopartykit.co.uk

Frant Parish News 2022

To reflect on the 2022 and the stories from Frant Parish News, see the front pages above. It goes without saying that the magazine can only be as good as the articles printed and these are wholly dependant on all of your contributions. So I would like to say a huge thank you to all of you who have emailed us your stories.

I am also, as always, grateful to the Frant Parish News team for their hard work. A group of volunteers – many of whom have helped for many years, to ensure that the magazine reaches

every household across the Parish. Not only are the magazines collected from Frant Church and then posted through letter boxes across the Parish by our wonderful volunteers, but to create the content, we have Susan Piccioni who ensures the advertising slots are filled each year, Jonathan Christie who waves his designer wand which transforms the word documents I send him each time to the beautiful page layout you read and, last but not least, Colin Webb, our printer from Bells Yew Green who is responsible for the glossy magazine we all receive. Thank you all!

Winter Warmer at Bells Yew Green Village Hall

In this time of cold weather and economic pressures, here's some good news: weekly from Monday, 9th January, starting at midday, All are welcome to our Free Winter Warmer Lunch, where we'll be offering delicious and nutritious home-made soups and a roll, tea, coffee and biscuits, plenty of chats and good company in our toasty warm village hall on Bayham Road! All-comers - bumps and babies, tots and grown-ups, young and old, are very welcome. If you and/or your neighbours within Frant Parish need

help to get there, we'll do our best to assist.

If you have any questions or requests, please contact Zoe at The Brecknock or phone Sue on 07944-712000.

If anyone would like to make a food contribution (er, home-made soup?!), or to donate soup ingredients - or other items - they would be extremely welcome. We have applied to Sussex Community Foundation for a Grant but won't hear back until later in the new year as to whether we've been successful. However, with the fantastic goodwill of our local community and the support of our Trustees, we have decided to take the plunge. We have no doubt that this will be a cracking opportunity to get-together and eat cake!

If you haven't been to the Hall in a while we're sure that you'll notice immediately that the Committee has been working hard! We have refreshed the kitchen, updated the lighting (and fuse boxes) and replaced the draughty front and side doors. This community asset is the perfect place for parties, classes and so much more. If you have any questions about hiring, please check out the website: www.bellsyewgreen.org and contact our bookings manager, Anna Lee-Davey at annan83@yahoo.co.uk

We look forward to seeing you on Monday, 9th January at noon. You're welcome!

Sue Wallis, 07944-712000/
friendsofbyg@gmail.com

News from Nus Ghani, MP

Happy new year! Winter is a beautiful time in Wealden, and I hope that you have enjoyed the festive season. Please allow me to use my first message of 2023 as an opportunity to pay tribute to our fantastic businesses, who work incredibly hard all year round, and especially in the run up to Christmas.

I am proud that Wealden is home to a huge variety of award-winning small businesses, which keep our high streets vibrant and bustling. To name just a few, I recently visited the award-winning gift shop MAYBUGS and haberdashery shop The Pumpkin Patch, both located in Hailsham; our superb Wealden Hero, Davies & Sons family butchers in Horam, which sources meat of the highest quality from reputable farms in the area; and the fabulous Bluebell Vineyard in Uckfield, home to the award-winning range of Hindleap sparkling wine and a fine example of some of the best quality wines

produced in Wealden.

These, and countless other small businesses are the backbone of our economy. They are owned by our neighbours, friends and family, are key providers of valuable full- and part-time job opportunities, and the money we spend with them goes back into our communities. Our local businesses were instrumental in keeping us supplied throughout Covid and Wealden District Council has done a tremendous job in supporting our businesses throughout this most challenging time, delivering over £65 million of Government funding to ensure that Wealden businesses continued to thrive beyond the pandemic. I am pleased that the Government continues to support our entrepreneurs via the Energy Bill Relief Scheme by automatically applying the discount to all eligible bills this winter.

Since I was first elected, supporting Wealden entrepreneurs has been on top of the agenda and this will not change in 2023. I continue working with the Crowborough, Hailsham and Uckfield Chambers of Commerce and meet their representatives regularly to discuss the economy, available support, and issues that impact trade and commerce to ensure that their concerns are heard in Westminster.

However, the success and longevity of our businesses ultimately depends on us, loyal local customers supporting our enterprises all year round. So, if you are still looking for a new year resolution, I would like to encourage you to consider showing more support for our superb small local businesses this year by visiting our high streets in Crowborough, Hailsham, Uckfield, Mayfield, Forest Row and others, and shopping locally. I look forward to bumping into you whilst doing my shopping!

Frant Parish Council

Some good news! East Sussex Council have approved match funding of some £50,000 to go towards the costs of the pedestrian crossing in Frant. This means that scraping together all the resources we currently have we can now proceed with actually building the crossing-current estimates £250,000

It means of course, that until this major project is complete the Parish Council has to be particularly frugal as there is not much 'wriggle' room to use a technical term! It will be a major

potentially life saving achievement though and no small feat for a Parish Council whose annual income is less than £50,000 per annum.

The pressure on our roads is a cause of increasing concern. Together with Rotherfield Parish Council we are engaging in speed surveys to do something about the current speed limits at Eridge and we are conducting a feasibility study for the Wadhurst junction in Frant. The frustrating thing about tackling our roads is it requires the engagement of a number of 'partners' who all seem to travel at their own pace!

As I write this the snow is still thick on the ground and largely due to SAT NAV I suspect, cars have been sent down our East Sussex hilly lanes ill equipped to deal with 3-4 inches of snow and then ice. The result I'm afraid has been chaos and many accidents.

To end on a positive note, as it is that time of year after all, you may recall that we were one of the first Parish Councils to trial a solar panelled street light in Bells Yew Green. Well, it appears to be working well and a great success. We will now be actively looking to also put in charging points for electric cars in one or two locations as a community resource.

And finally, just a reminder 2023 are the elections for your Parish councillors -May I believe. So if any of you want to get involved and have a positive impact on your community talk to us and think about getting elected!

Frant Christmas Fair

What a success the Christmas Fair was this year. There was a superb turn out from the Parish who were treated to a wonderful selection of stalls from local businesses and causes all run by enthusiastic, well wrapped up stallholders!

We were also treated to a delightful performance of carols by the Frant School Choir who sang by the Christmas tree outside The George pub. Thank you to all who participated and to the team at The George for all of their organisation.

Frant Parish Friendship Group

The last few months of 2022 were a busy time for the Group. Our October meeting definitely went with a bang, when chemistry teacher Anne Bambridge showed us how to make a firework and how to turn copper coinage into silver and gold; a very useful skill in the present economic climate. Members went on a very enjoyable Christmas shopping expedition on the 10th November to Polhill Nursery and Shopping Village. Our November meeting was our AGM and after discussing a very successful past year and the programme for 2023 we had a fish and chip lunch and were entertained by local magician Jimmy from Sheridan Illusions who was so professional and had us completely bamboozled. To round off the year we were looking forward to our Christmas Tea on 11th December with Henry VIII!

We start 2023 with exercise classes with Alison. These are on the 1st and 3rd Thursdays of the month at 2.30pm in The Stables hall. These have been very well attended and we are definitely feeling the benefit!! Our first meeting of 2023 will be on January 26th 2.30pm in The Stables when our speaker will be our very own Pat Wright on Buckingham Palace. The February meeting will be on the 23rd and our speaker will be Janie Ramsay on 'The Disgraceful Sons of George III'.

With the inclement weather upon us please remember that if anyone wishes to use the subsidised transport for medical visits please contact Andy MacDonald-Brown - 01892 891273 or andrew.macdonald-brown@frant-pc.gov.uk

We look forward to seeing old and new members for the start of another year.

Enquiries Valerie Palmer 01892 750559 valeriepalmer@uwclub.net

Parish past

With a hosepipe ban only recently lifted, water has been much in the news this summer, which would be no surprise to past residents, as within the lifetime of some of us Frant and Bells Yew Green had no mains water supply at all. This was only connected and formally opened by Lord Camden amid much rejoicing in 1936. Two large reservoirs had previously been dug and the Tangier Lane pumping station built to supply most of Tunbridge Wells, but the problem for Frant was that much more pumping power was needed to get the necessary quantity of water up our hill and thence to BYG. As always money was the problem but eventually over £10,000 was raised by the water company - I guess over a million equivalent today - and not just a more powerful pump purchased but over five miles of pipe laid.

At the opening ceremony the water board chairman proudly announced that all these works had happily come in under budget - a lesson for today perhaps? Before this connection both

villages were forced to rely on varied sources: the two main covered wells still visible in Frant today (there is a photo of nurses having to carry buckets from these wells all the way to Shernfold while this was a military hospital during the First World War, above), some private wells in gardens, the springs in Chase Wood on Frant Hill and the slope beyond Warren Ridge, even the village pond and Shernfold lake. Obviously some of these were contaminated, nor did any supply sufficient water to fight the occasional fire. Eridge, not having the height difficulty, had long enjoyed an earlier supply - no doubt there were jokes that Frant would now finally reach cleanliness! BYG did have a highly unsatisfactory well on the green, or, if you were energetic, there was a trudge to the brewery where a deeper, safer supply existed.

We forget how much of our ancestors' time and effort was consumed just heaving buckets of dubious water, not to mention the diseases and parasites brought by unclean supply.

—Pat Wright

Frant Bowls Club Awards Dinner 2022

There they were. The glittering prizes, the silver cups and trophies to be awarded this evening.

On the 25th November Frant Bowls Club held its Awards Dinner at the Crowborough Beacon Golf Club. Twenty eight members and their partners attended. It's always a good turnout for our winter social gathering.

The Awards Dinner is an important event in the Club's calendar. It recognises the winners and runners-up in the internal competitions which are usually held each year. However, the cups and trophies were not awarded during 2020 and 2021 because of the Covid epidemic.

To begin with everyone gathered at the bar for an informal drink. Our Chairman, Barry Dean then invited us to take our seats at tables that were nicely arranged. During the meal Barry gave a special welcome to David and Val Oliver who moved from East Sussex to Flintshire for family reasons some two years ago.

David was, at various times, Treasurer, Chairman and Club Captain. He greatly influenced the Club in terms of gamesmanship and bowls green management. Both David and Val were excellent bowlers winning many competitions. Barry continued by stating that 2022, the Club's centenary year, had been quite successful winning many of

its matches against other clubs.

The results of this year's Club competitions, which were open to all members, comprised the following:

- The Two Wood - Winner - Audrey Hall, pictured
 - The Drawn Pairs - Winners - Audrey Hall and Jeff Holloway,
 - The Open - Winner - Michael Freestone,
 - The President's Cup - Winner - Elizabeth Holloway,
 - The Captain's Cup - Best improved team member - Diane Young
- The Club President, Bob Garrett and Club Chairman, Barry Dean presented the Cups to the winners and certificates to the runners-up, the recipients of which were roundly applauded.

All these competitions were played during the season usually when good weather prevailed but sometimes played in the rain. Some results were surprising, other matches were over quickly and some were very close taking a few hours to complete.

There is an always an air of mystery over one particular cup - the Captain's Cup. This is awarded solely at the Club Captain's discretion. The idea is that the Cup recognises a member's contribution to the club during the season. This can take the form of support in matches, help with the maintenance of the club but above all showing the greatest improvement in match play plus a high degree of gamesmanship.

This year the Captain's Cup was awarded to Diane Young who in her first season has showed great promise, interest in the club and a willingness to have a go at either Lead, Second or Skip.

After all the awards had been given, the Chairman thanked all who attended and wished everyone a Happy Christmas and New Year and looked forward to the 2023 season hopefully welcoming many new members.

Michael Freestone, captain@frantbowls.uk

Groombridge Film Society Sunday January 15th Groombridge Village Hall

There are many members of Frant Parish who enjoy our film nights. For this reason we are letting you know about our next exciting evening!

"The Lost King" starring Sally Hawkins and Steve Coogan, directed by

Stephen Frears.

Sally Hawkins gives a winning performance as the real-life amateur historian, Philippa Langley, and Steve Coogan is her estranged husband in this engaging film based on Langley's discovery of the remains of Richard III beneath a car park in Leicester in 2012.

Doors open at 18.30. Film starts at 19.15 prompt! Membership fee - £20 p.a. members - £2. non-members - £6.

Come early to socialise and to enjoy our licensed bar

The Arts Society Ashdown Forest

Title: "Hogarth: a Harlot, a Rake and a Marriage"

Lecturer: Hilary Williams
12th January 2023 at 2pm
Crowborough Community Centre
Pine Grove Crowborough TN6 1FE

Formerly Print Room Superintendent at the British Museum and now Art History Education Officer, Hilary lectures for the British Museum, London Borough of Bexley and the Wallace Collection.

William Hogarth (1697-1764) aimed to be the first, native born leader of the British School of painting. As a Londoner, he was in a city which claimed to be 'the capital of the world' during his lifetime.

With great wealth, there was great social deprivation. Hogarth used his art, especially his remarkable prints, to spread a social message, often laced with satire. Through drawings, prints and oil paintings and packed with great stories, this lecture discusses his series of compositions for his Harlot's Progress (1732), The Rake's Progress (1732-5) pictured above, and his Marriage-a-la-Mode (1743-5) and what they mean.

Come and hear more about him and enjoy refreshments afterwards.

Members of the Society free. Visitors £6 per lecture. More information from Christine 07773 787422.
